TERMS AND CONDITIONS

The terms and conditions of sale set out below shall apply to all contracts for the supply of goods ("Goods") between ORION Laboratories Pty Ltd ACN 009 293 136 trading as Perrigo Australia ("Perrigo") and the person purchasing the goods (the "Buyer") and shall not be deemed or construed to be modified, rescinded or waived in whole or in part except by written amendment by the parties.

The placement of an order for Goods by the Buyer will be deemed to be acceptance by the Buyer of these terms and conditions of sale, notwithstanding anything that may be stated to the contrary in the Buyer's inquiries or on the Buyer's orders.

1. ORDERS

- 1.1 Perrigo reserves the right to accept or decline, in whole or in part, any order placed by the Buyer.
- 1.2 An order received from the purchaser is deemed binding from the point of order regardless of confirmation from Perrigo.

2. DELIVERY

- 2.1 The minimum order value is \$500 for all orders for no freight surcharge to be incurred. Orders for less than this amount will incur a \$45 (plus GST) small order fee and freight surcharge.
- 2.2 If the Buyer requests special delivery services (e.g. express post or air freight) which are not part of Perrigo's standard delivery services, then the charges for special delivery services may be charged to the Buyer.
- 2.3 Any requests for proof of delivery must be made within 1 week of the dispatch of the relevant month's statement. In the absence of such a request, goods will be deemed delivered to the Buyer after the expiration of that 1 week period. After this period, the Buyer will be charged \$10 each plus GST to obtain each proof of delivery requested unless proof cannot be supplied.
- 2.4 To the full extent allowed by law, Perrigo is not liable to the Buyer for any loss or damage whatsoever (including any consequential loss) caused directly or indirectly by any delay or failure in delivery. Any delay in delivery does not relieve the Buyer of its obligation to accept that delivery and any remaining delivery.

3. PRICES

- 3.1 All orders will be subject to Perrigo's Pricelist applicable at the date of despatch of the order. Perrigo's Pricelist is available at [Perrigo www.perrigo.com.au](http://www.perrigo.com.au).
- 3.2 Prices are expressed in Australian dollars and are subject to change without notice.
- 3.3 Prices, unless otherwise stated, do not include goods and services tax, other taxes, import duties or other levies or tariffs, freight or insurance

charges which, if applicable, will be an extra charge.

- 3.4 The Buyer is responsible for any tax or Governmental charge imposed on sale or supply of the Goods by Perrigo and the same will be added to the total invoice price.

4. PAYMENT TERMS

- 4.1 The terms of payment shall be 30 (thirty) days from date of invoice.
- 4.2 If the Buyer makes default in any payment, all amounts owing by the Buyer to Perrigo on any account shall immediately become due and payable. In such event, Perrigo may also suspend or terminate the Buyer's credit facility, change the Buyer's payment terms to require cash before delivery, change trading terms or terminate any outstanding orders (including part orders) in its sole discretion.
- 4.3 In the event that the Buyer breaches any provision of these Terms and Conditions of Sale, the Buyer agrees to pay all reasonable costs incurred by Perrigo in recovering any outstanding monies, including collection costs and legal fees on a full indemnity basis.

5. CREDIT ACCOUNTS

- 5.1 Perrigo may at its absolute discretion grant the Buyer credit. If Perrigo grants the Buyer credit, then the credit terms are subject such additional conditions as Perrigo notifies the Buyer in connection with any credit application.
- 5.2 If the Buyer requests that Perrigo supplies Goods to the Buyer on credit, then the Buyer authorises Perrigo, and Perrigo's authorised agents or representatives, to obtain reports from credit reporting agencies and make such enquiries as to the credit and financial history and responsibilities of the Buyer (and the directors of the Buyer) as required by Perrigo from time to time in order to satisfy itself of the Buyer's creditworthiness.
- 5.3 If Perrigo extends credit to the Buyer, it does so on the following conditions:
 - (a) the Buyer has made complete disclosure to Perrigo in its credit application of all material information relevant to Perrigo's decision to extend credit; and
 - (b) The Buyer informs Perrigo of any adverse change in the Buyer's financial or business circumstances that is material to Perrigo's decision to extend credit.
- 5.4 Perrigo may at any time and in its absolute discretion terminate the Buyer's credit facility without notice and without assigning a reason. The Buyer shall not be entitled to any compensation for termination of the credit facility and any amounts payable for Goods supplied to the Buyer become immediately due for payment.

Such damage must be notified to Perrigo within 48 hours of delivery of the Goods.
- (d) Special Hospital products where Perrigo at its discretion grants the Buyer a credit. All costs associated with the return will be at the Buyer's expense including initial delivery costs.

Credit will be issued against accounts, and calculated at the invoice price charged.

6.2 Perrigo will not accept for return, and no credit or refund will be granted in respect of, the following Goods:

- (a) Goods with packages which have been marked or defaced in any way by the Buyer (including having a label removed or other label attached);

6.3 Return of short dated stock will only be accepted by prior arrangement.

7. STORAGE

7.1 Goods must be stored in accordance with any requirements stated on the packaging of the Goods or information sheet which Perrigo provides to the Buyer.

8. OWNERSHIP AND RISK

8.1 The risk in the Goods shall pass to the Buyer upon delivery and the Buyer shall be obliged to insure the Goods from the time of delivery to the Buyer and, pending payment in full, insure the goods in the name of Perrigo and the Buyer for their respective interests.

8.2 Without prejudice to the liability of the Buyer to pay for the Goods, the Goods shall remain the property of Perrigo as legal and equitable owner pending cleared payment in full of all moneys due under

this contract or in respect of any other debt owed by the Buyer to Perrigo. The Buyer acknowledges that the Buyer is in possession of such goods as bailee for Perrigo pending payment in full.

8.3 Until payment in full has been received by Perrigo, Perrigo shall be entitled to retake possession of the Goods. To allow Perrigo to do that, the Buyer grants Perrigo an irrevocable right to enter at any time any premises or place where the Goods are held or thought to be held and to remove the Goods. Perrigo may then resell the Goods and retain the proceeds of such sale. Any shortfall shall be a debt owed by the Buyer to Perrigo.

8.4 If whilst Perrigo remains the owner of the Goods, the Goods are sold by the Buyer or are the subject of any insurance claim, then the part of the proceeds of sale, or from any insurance claim, that relates to the Goods belong to Perrigo and the Buyer must keep such proceeds separate and hold the proceeds in trust for Perrigo.

8.5 Until payment in full has been received by Perrigo, the Buyer must store the Goods separately from all other goods and ensure that the Goods are clearly identifiable as Perrigo's goods.

8.6 Perrigo may apply or appropriate amounts received from the Buyer in satisfaction of any part of the Buyer's obligations to Perrigo (including so as to enable Perrigo to preserve any purchase money security interest (as defined in the *Personal Property and Securities Act 2009* (Cth) ("**PPSA**")). An application or appropriation by Perrigo will override any appropriation made by the Buyer. For the purposes of section 14(6) (a) of the PPSA, this clause 8 constitutes the method of payment application agreed by the parties.

8.7 The provisions of this clause 8 are essential conditions.

9. SECURITY INTEREST IN GOODS

9.1 The Buyer acknowledges that this document creates a security interest in the Goods in favour of Perrigo.

9.2 The Buyer must do all things and provide all information necessary to enable Perrigo to perfect its security interest in the Goods (including assisting Perrigo to complete registration of any financing statement or financing change statement).

9.3 The Buyer irrevocably waives its right to receive notice of any verification statement in relation to a financing statement or financing change statement registered by Perrigo.

9.4 The Buyer and Perrigo contract out of sections 125, 143 and (if permitted by section 115(7)) Part 4.3 (other than sections 126, 128, 129(1), 133, 134(1) and 136) of the PPSA and the Buyer waives its rights under sections 95, 121(4), 130, 132, 135 and 142 of the PPSA.

9.5 The Buyer undertakes not to change any of its details recorded in a financing statement registered by Perrigo without giving Perrigo 10 business days' prior notice.

9.6 In this clause 9, the terms financing change statement, financing statement and verification statement have the meanings given to them in the PPSA.

10. LIMITATION OF LIABILITY

10.1 Notwithstanding anything to the contrary in these Terms and Conditions of Sale, to the extent that the Buyer acquire goods or services from Perrigo as a consumer within the meaning of the Australian Consumer Law set out in Schedule 2 to the Competition and Consumer Act 2010 (Cth) ("**Australian Consumer Law**") as amended or replaced from time to time, Buyer may have certain rights and remedies (including, without limitation, consumer guarantee rights) that cannot be excluded, restricted or modified by agreement. Nothing in this clause 10 operates to exclude, restrict or modify the application of any implied condition or warranty, provision, the exercise of any right or remedy, or the imposition of any liability under the Australian Consumer Law or any other statute where to do so would:

- (a) contravene that statute; or
- (b) cause any term of these Terms and Conditions to be void,

("Non-excludable Obligation").
