Other Information
All reasonable care has been taken to ensure information and advice contained in this data sheet is accurate at time of printing. However, Orion accepts no liability for any loss or damages suffered as a consequence of reliance on the information contained herein.

2. Hazards Identification

Hazard Classification
This product is irritating to the eyes.

Risk phrase(s)
R23 Toxic by inhalation
R36/37/38 Irritating to eyes, respiratory system and skin
R50 Very toxic to aquatic organisms
R53 May cause long-term adverse effects in the aquatic environment
R41 Risk of serious eye damage

Safety phrase(s)
S25 Avoid contact with the eyes.

4. First Aid Measures

Inhalation: Not volatile at room temperature. Remove patient to fresh air.

Ingestion:
If large amounts are swallowed, contact a doctor or Poisons Information Centre (Australia 13 11 26). Give 1-2 glasses of water. Do not induce vomiting.

Skin:
If a sensitivity reaction occurs, wash off with water and discontinue use. If irritation persists, seek medical attention.

Eye:
Hold eyelids open and flush with gently running water for at least 15 minutes. Seek medical attention.
Advice to Doctor: Refer to Poisons Information Centre. Treat symptomatically.
5. Fire Fighting Measures

Extinguishing Media
Water fog, alcohol resistant foam, carbon dioxide, dry chemical.

Hazards from Combustion products
Toxic vapours are expected to be released on burning, including oxides of carbon and sulphur.

Precautions & Equipment for Fire Fighters
Fire-fighters should wear self-contained breathing apparatus.

Hazchem Code
None allocated

6. Accidental Release Measure

Spillage will be slippery. Contain spillage use an absorbent (sand, or vermiculite) where appropriate. Collect and seal in properly labelled containers for disposal. Wash area down with excess water.

7. Handling and Storage

Safe Handling Practices
Handle carefully so that containers will not puncture. If splashes in eyes, wash with gently running water for at least 15 minutes. Seek medical attention. Wash hands after use.

Storage
Store below 30°C.

Other Information
No special transport requirements necessary.

8. Exposure Controls; Personal Protection

Exposure Limits:
No data available.

Engineering Controls
No special requirements under normal conditions of use. Use with adequate ventilation at all times.

Personal Protection
Avoid use if hypersensitivity to Triclosan is known. Avoid contact with eyes.

9. Physical and Chemical Properties

Appearance / Odour:
A clear pale yellow viscous foaming liquid with a characteristic fragrance.

pH:
5-7

Vapour Pressure:
No data available

Vapour Density:
No data available

Boiling Point:
Approximately 100°C

Freezing/Melting Point:
No data available

Solubility:
Miscible with water to form a soapy solution.

Refractive Index @ 20°C:
1.360 – 1.370

Viscosity @ 24°C:
400 – 6000 cps

Specific Gravity or Density:
1.01 – 1.05 g/mL

10. Chemical Stability and Reactivity Information

Conditions Contributing to Instability
Stable under normal conditions of use.

Hazardous Decomposition Products:
Oxides of carbon.

Hazardous Polymerisation:
Will not occur
11. Toxicological Information

Inhalation: No hazard under normal conditions of use.

Ingestion: May be irritating to gastrointestinal tract causing vomiting and diarrhoea.

Skin: Not normally irritating to the skin. There have been isolated reports of contact dermatitis.

Eye: Irritating to the eyes, causing stinging and redness.

12. Ecological Information

Mobility: No data available

Persistence and Degradability: No data available

Ecotoxicity: Avoid entry into watercourse.

13. Disposal Considerations

Disposal Methods & Containers: Containers may be rinsed in water and re-cycled

Special Disposal for Landfill or Incineration: Waste material may be incinerated under controlled conditions where permitted. Refer to local Waste Management Authority Regulations for other approved methods.

14. Transport Information

UN Number: None allocated

UN Proper Shipping Name: None allocated

DG Class & Subsidiary Risk: None allocated

Packing Group: None allocated

Hazchem Code: None allocated

15. Regulatory Information

Scheduled as a Poison (Schedule 6) using the criteria in the Standard Uniform Schedule for Medicines and Poisons.
