1. Identification of the Product and Company

Product Name: SURGI gel™ PLUS STERILE LUBRICATING GEL

Product Code: SUR03038F, SUR02920F, SUR03029F

Other Names: None allocated

Use: To lubricate a body orifice to facilitate the entry of a surgical, diagnostic or therapeutic device.

Company Name & Contact Details

Medical Information Associate
Distributed by Perrigo Australia
Orion Laboratories Pty. Ltd., trading as Perrigo Australia
ABN 56 009 293 136
25-29 Delawney Street, Balcatta, Western Australia 6021 AUSTRALIA

Other Information
All reasonable care has been taken to ensure information and advice contained in this data sheet is accurate at time of printing. However, Orion Laboratories Pty Ltd accepts no liability for any loss or damages suffered as a consequence of reliance on the information contained herein.

2. Hazards Identification

Hazard Classification
This product is not dangerous for the purposes of transport.

Risk phrase(s)
No component is present at sufficient concentration to require a hazardous classification
This substance may cause irritation to eyes and may irritate skin of sensitive individuals.

3. Composition/Information on Ingredients

4. First Aid Measures

Inhalation: Remove patient to fresh air. If breathing is difficult, apply artificial respiration. If required, seek medical advice.

Ingestion: If swallowed and patient is conscious, wash out mouth with water. Seek medical advice and or contact a doctor or Poisons Information Centre (Australia 13 11 26).

Skin: Wash off with water.

Eye: If in eyes, hold eye lids open and flush with gently running water for at least 15 minute. If irritation occurs or persists, seek medical advice.

Advice to Doctor: Treat symptomatically

5. Fire Fighting Measures

Extinguishing Media
Water spray, dry chemical powder, appropriate foam or carbon dioxide.

Hazards from Combustion products
Oxides of carbon (monoxide, dioxide) and nitrogen.

Precautions & Equipment for Fire Fighters
Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

Hazchem Code
None allocated.
6. Accidental Release Measure

Personal Precautions: Wear appropriate clothing to avoid skin contact.

Clean Up of Spill: Mix with inert material (sand, vermiculite) and scoop into sealed containers for disposal. Area can be washed with soap and water.

7. Handling and Storage

Safe Handling Practices: Avoid contact with eyes. Keep away from ignition sources, heat, light and flame.

Storage: Store in well closed containers in a cool dry place out of direct sunlight.

Other Information: Incompatible with strong oxidizing agents and foods.

8. Exposure Controls; Personal Protection

Exposure Limits: Not considered hazardous. There are no known Threshold Limit Values (TLV).

Engineering Controls: Precautions are not usually required

Personal Protection: Personal protection is not required.

9. Physical and Chemical Properties

Appearance & Odour: Colourless transparent gel. Slight odour

Flash Point: > 100°C Boiling Point: Not known

pH: 6-7 Freezing/Melting Point: Not known

Vapour Pressure: Not known Solubility: Miscible with water

Vapour Density: Not known Specific Gravity or Density: Not known

10. Chemical Stability and Reactivity Information

Conditions Contributing to Instability: Stable under normal conditions of use.

Materials to Avoid: Strong oxidizing agents.

Hazardous Polymerisation: Will not occur.

Hazardous Decomposition Products: Carbon monoxide, carbon dioxide, nitrogen oxides.

11. Toxicological Information

Inhalation: No data available.

Ingestion: No data available.

Skin: May irritate skin of sensitive individuals.

Eye: May cause irritation to eyes.

12. Ecological Information
13. Disposal Considerations

<table>
<thead>
<tr>
<th>Disposal Methods &amp; Containers:</th>
<th>Empty containers should be decontaminated by rinsing with water prior to disposal.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Special Disposal for Landfill or Incineration:</td>
<td>Waste material may be incinerated under controlled conditions where permitted. Refer to local Waste Management Authority Regulations for other approved methods.</td>
</tr>
</tbody>
</table>

14. Transport Information

| UN Number: | None allocated |
| UN Proper Shipping Name: | None allocated |
| DG Class & Subsidiary Risk: | None allocated |
| Packing Group: | None allocated |
| Hazchem Code: | None allocated |

15. Regulatory Information

Registered as a device as per the Therapeutic Goods (Medical Devices) Regulations, 2002
